

Crime Statistics Reporting October 1, 2011

Campus Statistics of Criminal Offenses at Florida School of Traditional Midwifery (FSTM) On-Campus/ Public Property Crime Statistics – On Campus

The purpose of this report is to advise current and prospective students and employees of crimes that have occurred on campus during the past three calendar years. This report will be posted on the FSTM website annually, and students, faculty and staff will be notified via email when statistics are posted. Hard copies of this report will be available in the student handbook and to prospective and current students and employees on request.
