

## FSTM Applicant Essay Questions

1. What is your understanding of the difference between a direct-entry midwife and a CNM? Why have you chosen to pursue direct-entry midwifery instead of the CNM path?
2. Describe any healthcare, maternity, or perinatal experience you have had.
3. Why is now the right time in your life to pursue midwifery education?
4. Midwifery is a profession that requires a great deal of sacrifice. What do you think you may have to sacrifice while in midwifery school?
5. It's just as important to set healthy boundaries for yourself. What are you NOT willing to sacrifice for midwifery?
6. Is there anything else would you like the admission committee to know about you?
